(14353 Bennis Church Blvd., Smithfield)

Isle of Wight County received a **Community Development Block Grant (CDBG) Planning Grant** to help fund a market analysis/feasibility study in cooperative partnership with the land owner to determine the best possible reuses of the 24.8-acre property, as well as structures formerly used by JRCA.

Economic Development is hosting an open house and public meeting to introduce the community to this project and to create momentum for stakeholder participation in the planning process.

Call Chris Morello, Assistant Director of Economic Development, at 757-356-1969 for more information.
